Dear John:

Subject: Proposal - Contract [redacted] 25X1

Submitted herewith are technical objectives on the following PARs, five copies of each:

PAR 212 - Color Acquisition Study

PAR 217 - Optimization of Lasers

PAR 222 - Stereo Image Registration

PAR 224 - 3X - 15X Fluid Gate Enlarger

Although present cost figures shown on the attached cost breakdown indicates PAR 222 to be of minor category, we are suggesting formal approval since the end item will, without doubt, move this to the major category.

Cost breakdown for the above projects is shown on the attached sheet.
